 Womens Fit
 #MJKT00084

«DUPONT»
Nomex

The Elements™ Jacket - CWAS (Cold Weather Aviation System) - Women's Fit is designed to eliminate unnecessary bulk for superior comfort and performance for the female aviator. The jacket offers in-flight, world-class performance with a low-profile ergonomic fit for ease of tight space maneuvering to access needed gear and hose port systems. This is made with the Massif Battleshield X® FR fabric, a flame-resistant nylon-faced laminate featuring WINDSTOPPER® technology by GORE-TEX® LABS. Constructed with DuPont™ Nomex® brand fiber, this softshell jacket offers exceptional breathability, durability, and a high warmth-to-weight ratio - while being a testament to Massif's determination for exceptional performance in the most challenging environments.
