

HOTJOHNS®

FLAME RESISTANT BASE LAYER

Warm and comfortable, HotJohns® gear is your ideal flame-resistant base layer for insulation and moisture management in cold climates. Made with a stretchy and soft fabric, HotJohns garments have streamlined designs for easy layering over our light-weight layers, under our outer layers, or as a stand-alone garment. HotJohns fabric is highly breathable and wicks moisture away from the skin, keeping you warm and dry even when you're working up a sweat. HotJohns will be a favorite in your layering system.

FEATURES:

- Flame-resistant construction with proprietary 4-way stretch Massif® fabric
- Flat-seam construction for added comfort
- Maintains warmth even when wet
- Soft next-to-skin
- Quick drying
- Women's fit available, (MSRT00057, MSRT00073, & MPNT00073)
